

PLATTE PROFILE

OUR VISION. OUR GOALS.

Project Website

Platte Profile is the county's strategic planning and visioning initiative geared toward using public input to develop recommendations for the long-term benefit of the community. The county needs your help—from the summer of 2007 onward, the input of all Platte County residents and businesses will be gathered before finalizing the plan in spring 2008. There are numerous ways you can have a say in the future of your community, including:

- ◆ Public meetings
- ◆ Website feedback
- ◆ Community survey
- ◆ Comment cards

The latest information is always available on the website—www.platteprofile.com—or by contacting the county or its consultant, Olsson Associates, with the information located below.

This is an important initiative, one that will have a definitive impact on the future of our community. Your help is essential to making this Platte Profile initiative a success, so please be sure to get involved in the process.

Visit www.platteprofile.com for the latest information, including:
